

## EDNA HIBEL LIMITED EDITION REPRODUCTIONS PRICE LIST

These limited edition reproductions and their framing have been approved by the artist Edna Hibel. The reproduction images are only of Edna's original oil paintings and she selects them with great care and fondness. In most cases they are printed in Switzerland, but occasionally in the U.S.A., according to her specifications, on special quality fine art paper by an outstanding color process using up to 8 colors. All reproductions are available framed or unframed, with these exceptions: "Laurels," "Golden Laurels," "Magnum Opus," and Edna Hibel Society Framed Collectables are offered only framed.

An exclusive gold embossing method of exceptional brilliance and fidelity is often used to enhance or capture the look of the originals. Frames come with plain glass, unless non-glare is specified at an additional charge: U.P.S. Size: \$12., Truck Size: \$25. Non-glare glass is not available for Laurels and Golden Laurels Collections. Occasional substitution of comparable or more expensive molding and/or mat may be necessary for prompt delivery.

The prices are suggested retail. The standard trade discount is applicable for all framed prices. All prices are suggested retail and subject to change.
